

Cookie Policy

Effective Date: July 3, 2025
Last Updated: July 3, 2025
Entity: Positive Athlete, Inc.

1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website or use an app. They help websites remember information about you, such as login status, preferences, and usage behavior.

Similar technologies, like device identifiers or local storage, may also be used in our mobile applications and are treated as cookies for the purposes of this policy.

2. How We Use Cookies

- Positive Athlete uses cookies and related technologies to:
- Keep you signed in
 - Understand how users interact with the Platform
 - Improve performance, design, and navigation
 - Enable basic security and authentication
 - Personalize your experience (e.g., resume where you left off)

We do **not** use cookies for behavioral advertising or to sell personal data.

3. Types of Cookies We Use

Type	Purpose
Essential Cookies	Required for login, security, and platform functionality
Performance Cookies	Help us understand how users navigate and interact with the Platform
Functional Cookies	Store your preferences or activity to enhance user experience

4. Third-Party Cookies

We may use third-party service providers for analytics and platform monitoring. These services may set their own cookies or tracking tools. While they may collect information about your device or usage patterns, this data is **only used to support our internal operations** and is **not used for advertising**.

5. Your Choices

You can control or disable cookies through your browser settings. Please note:

- Disabling essential cookies may prevent the Platform from functioning properly.
- Some cookies may be required to maintain your session or account status.

On mobile, location permissions and tracking preferences can also be managed in your device settings.

6. Changes to This Policy

We may update this Cookie Policy periodically. Material changes will be communicated via email or in-app notices. The “Last Updated” date reflects the most recent version.
